through your lies.____ Gon - na shake you till you tell me where the a - li - ens hide! Got a

47

Cop

gun for you ba - by! My se - cret hold - ing la - dy! Now I

49

Cop

found a clue they're con - nec ted to you! Got my fin - ger on the read - y!

51 **dialogue** 8

Nikki

COP #1: We know you were harboring an alien! Whoever arrested your friend was not one of our boys!

NIKKI: So where's Mars?

COP #1: We thought you would know. This is a matter of national security! Where is he?

NIKKI: I don't know anything, and you can't keep me here, mister...what's your name?

COP #1: You can call me Dick.

NIKKI: Look, Dick, either charge me or let me go! Holding someone without charges or representation, like, it's just wrong! You have to let me go!

59

Cop

It's get - tin' hot in the in - ter - i - ga - tion room. The

61

Cop

lights will make you sweat. Till you sing to me your tune.

63

Cop

I'll break your will, Lord knows I've got time to kill. Now

65

Cop

let's start con - fess - sin' and find out just with who you're mes - sin'
